**Subject:** CFS—Comment # 33--Consultants warned Pasco not to change Phase 2; Phase 2 ROW never fully surveyed; more wetland impacts to MU parcel that were never reported; no CSX OK for RR bridges; Mod 7A now has most impacts so not the LEDPA.  
**Attachments:** CFS—Comment # 33--Consultants warned Pasco not to change Phase 2; Phase 2 ROW never fully surveyed; more wetland impacts to MU parcel that were never reported; no CSX OK for RR bridges; Mod 7A now has most impacts so not the LEDPA..pdf

Please put this Comment # 33 into the Administrative Record.

And thank you George Prince for bringing this comment to the attention of Brigadier General Holland. -----
